## Overnight Closures on Pacific Coast Highway (State Route 1) for Median Replacement Project

*At least one lane will always remain open in both directions*

MALIBU – The California Department of Transportation (Caltrans) announced plans to close lanes on a mile segment of State Route 1/Pacific Coast Highway (PCH) in Malibu next week.

One northbound **AND** southbound lane of PCH will be closed between Puerco Canyon Road to Corral Canyon Road on the following date and times:

- **7 p.m. Friday, March 22 through 12 p.m. Saturday, March 23**
- **7 p.m. Saturday, March 23 through 5 a.m. Monday, March 25**

At least one lane in each direction will always be open. The closures are weather permitting and subject to change.

The work on PCH is part of a project to reconstruct the existing raised median island between Puerco Canyon Road to Corral Canyon Road to meet current standards. It also seeks to improve traffic safety along PCH by reducing the amount of improper turns.

C. A. Rasmussen, Inc., of Valencia is the contractor.

Caltrans reminds drivers to be “Work Zone Alert” and to “Slow for the Cone Zone.”
